Standings after Week 4 **Week 5 - 6/19/24**
Week 5 & 6: Red Square 40' **Week 7 & 8: Badger 52'**

Weekly League Newsletter:

Hi everyone,

We are now officially 1/3 of the way through the league!

Entering Week 5, Dylan Bowers remains at the top of the standings with 47.26 points and a 210.50 average. Myself, Tim Foy, Matt Wozney, Austin Coffield, Ray Smarsh, Noah Wydeven, and Austin O'Neal round out the Top 8. The Top 8 bowlers after 12 weeks will receive an important one-round bye in our bracket roll-off finals.

The USBC Open Championships pattern continued to be scoreable, but tricky, with the league average remaining a consistent 182.19 for Week 4. It was 182.56 for Week 3. I think it was a fair pattern that allowed multiple styles and ways of attack to score. Austin Coffield led scoring in Week 4 with a nice 703 series.

Weeks 5 & 6 will be contested on the very flat Red Square pattern, that is 40 feet in length. Definitely one the hardest patterns you will see!

As a reminder, this week there is a PBA Regional at Mid County Lanes. We ARE bowling on 6/19/24. Bowlers who bowl in the PBA Regional and decide to skip bowling will not be penalized 10 pins off their average that night and will receive their average as a blind score. (This is not a new rule - same as last year.)

Good luck this week!

Mike

SPORT SHOT SINGLES – SUMMER 2024 – MID COUNTY LANES

THANK YOU MID COUNTY LANES, BALLY'S DOVER CASINO RESORT, ANCHOR BUICK/GMC, AND STORM BOWLING PRODUCTS FOR THEIR SUPPORT.

- This USBC Sanctioned Managed League will begin on 5/15/24 (Practice Night) **5/22 FOR SCORE** and run for 12 weeks, with a Roll-off finals on 8/7 and 8/14/24. PLEASE SEE NEXT PAGE FOR SCHEDULE.
- The cost of bowling is \$30 weekly. The cost of lineage for 3 games is \$16.00.
- 8 Patterns will be used in this league. (See Pattern Schedule.)
- This is a SINGLES league. All bowlers will bowl 3 games per week, with a different opponent each game. Bowlers will not move pairs. Opponents will be assigned on the scoresheets. Each pair of lanes will have one scoresheet.
- **6 BOWLERS PER PAIR. WE HAVE THE WHOLE HOUSE THIS YEAR IF NEEDED.**
- Lane Pairings are done randomly (with the exception of position weeks.)
- Every 2nd week is a POSITION ROUND. That means on a position week, the pairings will be determined based on the standings. Example: 1st thru 6th on one pair of lanes.
- Points are earned in two different ways: MPP (Match Play Points) and Series Points.
- Match Play points are earned for beating your opponent. 2 points are earned for win, 1 point for a tie, and 0 points for a loss.
- Series points are earned by taking your 3 games for the evening and multiplying it by 0.01 (1 percent). For example, if you shoot 615, your series points for the evening are 6.15.
- After 12 weeks, we will cut to the Top 24 bowlers for a bracket roll-off finals. The top 8 seeds in the league will receive a first round bye.
- No switching of hands is allowed at any time. All balls must be USBC compliant.
- All bowlers must sign the pair's scoresheet after the completion of bowling and turn them into Mike on his noted lane. **IF YOU DO NOT SIGN AND VERIFY YOUR SCORESHEETS, YOUR BLIND SCORE WILL BE USED. PLEASE SIGN YOUR SCORESHEET. I AM ENFORCING THIS STRICTLY THIS YEAR.**
- Subs may be used anytime, with the exception of the final 2 weeks of the league and the bracket roll-off.
- If you cannot find a sub, your average in the league (minus 10 pins) will be used for the evening for all 3 games. Vacant score is 170. If you miss the first night of bowling with no sub, 170 will be used for all 3 games.
- **NO PRE-BOWLING OR POST BOWLING IS ALLOWED. YOU MAY ONLY USE YOUR BLIND SCORE UP TO 3 TIMES IN THIS LEAGUE.**
- Bowlers cannot be more than 1 week (\$30) in arrears. If you fail to pay for two consecutive weeks, you will begin forfeiting points starting that week. All money must be paid in full by the end of bowling on Week #11. The total cost of the league is \$360.00.
- Morris Jackson will be running the weekly pots.
