SPORT SHOT SINGLES CLASSIC Standings after Week 6 Week 7 - 7/3/24 Week 7 & 8: 52' Badger Pattern

Weekly League Newsletter:

Hello everyone,

Week 6 has concluded, our last week on the Red Square pattern. It was our lowest scoring week so far, with the league average around 162. Tim Foy had the high set, with a very impressive 649 series. We would also like to congratulate Tim on his win in the 2024 PBA Rita Justice Classic Super Regional this past weekend. Tim defeated Jake Rollins of Glen Rock, NJ in the championship match, 2-0, to take home the title and \$6,000.

We also had nice sets by Robert Rowe III (620) and Ray Smarsh (600). That set moves Robert into the Top 24 number, which currently sits at 49.60 points, occupied by Jaydon Whitehead. The standings are tight, as just 3.53 points separate 36th and 24th place. A lot can change quickly!

For weeks 7 and 8, we move on to the 52-foot Badger pattern. Despite its extreme length, the pattern is fair and scoreable if played correctly. Weeks 9 & 10 will be on the 37' Viper Pattern.

Good luck all!

Mike

SPORT SHOT SINGLES - SUMMER 2024 - MID COUNTY LANES

THANK YOU MID COUNTY LANES, BALLY'S DOVER CASINO RESORT, ANCHOR BUICK/GMC, AND STORM BOWLING PRODUCTS FOR THEIR SUPPORT.

- This USBC Sanctioned Managed League will begin on 5/15/24 (Practice Night) <u>5/22</u>
 <u>FOR SCORE</u> and run for 12 weeks, with a Roll-off finals on 8/7 and 8/14/24. PLEASE SEE NEXT PAGE FOR SCHEDULE.
- The cost of bowling is \$30 weekly. The cost of lineage for 3 games is \$16.00.
- 8 Patterns will be used in this league. (See Pattern Schedule.)
- This is a SINGLES league. All bowlers will bowl 3 games per week, with a different opponent each game. Bowlers will not move pairs. Opponents will be assigned on the scoresheets. Each pair of lanes will have one scoresheet.
- 6 BOWLERS PER PAIR. WE HAVE THE WHOLE HOUSE THIS YEAR IF NEEDED.
- Lane Pairings are done randomly (with the exception of position weeks.)
- Every 2nd week is a POSITION ROUND. That means on a position week, the pairings will be determined based on the standings. Example: 1st thru 6th on one pair of lanes.
- Points are earned in two different ways: MPP (Match Play Points) and Series Points.
- Match Play points are earned for beating your opponent. 2 points are earned for win, 1 point for a tie, and 0 points for a loss.
- Series points are earned by taking your 3 games for the evening and multiplying it by 0.01 (1 percent). For example, if you shoot 615, your series points for the evening are 6.15.
- After 12 weeks, we will cut to the Top 24 bowlers for a bracket roll-off finals. The top 8 seeds in the league will receive a first round bye.
- No switching of hands is allowed at any time. All balls must be USBC compliant.
- All bowlers must sign the pair's scoresheet after the completion of bowling and turn them into Mike on his noted lane. IF YOU DO NOT SIGN AND VERIFY YOUR SCORESHEETS, YOUR BLIND SCORE WILL BE USED. PLEASE SIGN YOUR SCORESHEET. I AM ENFORCING THIS STRICTLY THIS YEAR.
- Subs may be used anytime, with the exception of the final 2 weeks of the league and the bracket roll-off.
- If you cannot find a sub, your average in the league (minus 10 pins) will be used for the evening for all 3 games. Vacant score is 170. If you miss the first night of bowling with no sub, 170 will be used for all 3 games.
- NO PRE-BOWLING OR POST BOWLING IS ALLOWED. YOU MAY ONLY USE YOUR BLIND SCORE UP TO 3 TIMES IN THIS LEAGUE.
- Bowlers cannot be more than 1 week (\$30) in arrears. If you fail to pay for two consecutive weeks, you will begin forfeiting points starting that week. All money must be paid in full by the end of bowling on Week #11. The total cost of the league is \$360.00.
- Morris Jackson will be running the weekly pots.
